Mechanical Engineer

Thrissur, Kerala | vishnu.prasad.me@gmail.com | +91 88484 77102

SUMMARY

Mechanical design engineer with 4 years of experience in product design and CAD modeling for automotive component manufacturing.

SKILLS

SolidWorks, AutoCAD, GD&T, Root Cause Analysis, DFMEA, Product Lifecycle Management, Lean Manufacturing

EXPERIENCE

Design Engineer, Torque Auto Components Pvt Ltd — *May 2022 – Present*

- Designed and validated 15+ automotive components using SolidWorks
- Reduced material cost on a bracket assembly by 12% through design optimization
- Led root cause analysis for 3 recurring field failures, resolving all within one quarter

Graduate Engineer Trainee, Precision Forge Industries — *Jun 2020 – Apr 2022*

- Supported the design team on tooling and fixture design
- Assisted in DFMEA reviews for new product introductions

EDUCATION

B.Tech, Mechanical Engineering — Cochin University of Science and Technology (2020)

CERTIFICATIONS

- Certified SolidWorks Associate (CSWA)
